

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

November 24, 2020

Dear King Members, Friends, and Family:

Wisconsin is in the midst of a months-long surge in COVID-19 cases. To stop the spread, we need all of us to join together. Anyone can catch COVID-19 and contribute to its spread. The only way we can prevent spread is by limiting travel, maintaining six feet of distance from others when you must go out, wearing a mask, and washing hands regularly.

At King, we had one more employee test positive for COVID-19 since yesterday. Sadly, a member has also passed away from COVID-19. Today, we have five members and 19 staff with COVID-19. We are all keeping that member and their loved ones in our thoughts.

As I wrote yesterday, as we tackle the effects of the COVID-19 on King during this season of giving thanks, we remain grateful for the public health workers on the front lines of this pandemic. To view the CDC's recommendations for holiday gatherings go to: <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays.html>.

As a reminder, we will not be mailing paper copies of these notifications on Wednesday, Thursday, or Friday of this week. We will post brief updates on www.WisVetsHomesCOVID.com and provide a more comprehensive update again on Monday, November 30, 2020.

Sincerely,

Tammy Servatius, Commandant
